Harrow Quay

Ferryman

August 7 – September 27, 2026
Unit 3, Wharf Lane, London E14 8DQ

Five new works in lacquered fibreglass, made over two years and shown together for the first time. Adaeze Nwosu casts the softest things in a house (a duvet, two pillows, a mattress, a dust sheet, a scarf) and finishes them like cars, so the room is full of things that sag and slump and cannot be touched.
